Ms.. Sue Cutting, Manager
Ave Maria Community Care Home
19 School Street
Richford, VT 05476-1130

Dear Ms. Cutting:

Enclosed is a copy of your acceptable plans of correction for the survey conducted on **January 5, 2016**. Please post this document in a prominent place in your facility.

We may follow-up to verify that substantial compliance has been achieved and maintained. If we find that your facility has failed to achieve or maintain substantial compliance, remedies may be imposed.

Sincerely,

Pamela M. Cota, RN
Licensing Chief

Residential Care Home State Survey
January 5, 2016

R173

5.10.h

Action: The Manager has reviewed the Medication Policies and Procedures specifically related to the Storage of Medication with all medication administration staff to re-emphasize the importance of keeping the door on the Medication Room locked when the room is unoccupied. (See Attachment A – Excerpt from Ave Maria CCH, Inc. Medication Policies and Procedures)

Measures: All staff responsible for medication administration have signed a statement verifying their review of the Medication Policies and Procedures specifically related to the storage of medication (See Attachments B.1, B.2, B.3, B.4, and B.5). The Manager will insure that resident medications will be stored in locked compartments/Med Room under proper temperature controls and will only be accessed by authorized personnel.

Monitors: The Manager will monitor this practice to insure that this deficiency will not reoccur.

R176

5.10.h (4)

Action: Outdated medications were disposed of on January 5, 2016.

Measures: The Manager will insure that outdated medications will be promptly disposed of.

Monitoring: Manager will provide overview to insure compliance.

ATTACHMENT H

- iii. Name of Physician/Name of staff taking the order.
- f) T/O slip (white copy) is:
 - i. Posted in Med Room.
 - ii. Nurse will obtain signed order from the physician within 15 days.
- g) All new orders must be verified by the nurse prior to administering.

Pharmacy Communication Sheet

1. All pertinent information is recorded here, but not limited to: (refer to tab # 7)
 - Non-medical supplies (toiletries, lotion, etc)
 - Refill Orders (non-unit dose) either name or RX # can be listed on sheet.
2. The home will fax the pharmacy the information on the communication sheet, on delivery days. At that time, the person faxing will initial the column "faxed to pharmacy by".
3. When the pharmacy delivers to the home, the staff will review items to be sure they have been delivered.
4. This sheet can be produced in duplicate or faxed so that one copy can be sent to the pharmacy on a daily basis as a means for the pharmacy to double check the information on their records.
5. The more information you put on this sheet, the better the system will work, as effective communication makes it work.

Additional policy and procedure:

1. Discontinued meds are highlighted in green on the MAR
2. The 3-11 PM medication schedule is highlighted yellow on the med sheet.
3. Early AM (before breakfast) meds are highlighted in pink.
4. The medication administration records (MAR) are located in the Kardex on the med cart. (The past MARs will be stored in the resident's Individual chart under medication chart.)

Storage of Medication

- * 1. All medications shall be kept in the locked med room, in the locked med cart or shelf unless in the possession of residents capable of self-administration. Access to the locked room is limited to authorized staff. *
- 2. Medications requiring refrigeration shall be stored in a refrigerator in the med room.
- 3. Ave Maria provide secure, locked storage space to residents who are capable of self-administration and who choose to retain and store their own medications. This policy will be explained to residents if and when they request to self-administer meds.
